CONFERENCE OF SIX CHURCHES

Rev. C. H. Ricketts and George F. Hyde Among the Speakers
at Afternoon Session—Lisbon Pastor Delivered Sermon.

The conference of the six churches was held at the Jewett City Congregational church Wednesday. There was a large attendance from all the churches representing the conference. The decorations on the platform were a bowl of carnations and primula, given by Mrs. A. A. Young, and red and white carnations.

The services were conducted by Rev. Albert Donnell, pastor of the church. F. S. Leonard was at the organ. After the opening hymns the Scripture lesson was read by H. D. Rollason, pastor-elect at Haver, N. H. Samuel Thatcher, pastor of the Methodist church, offered prayer. The choir sang an anthem, "While Three I Seek, Protecting Power, with solos by Mrs. John LaFontaine and Theodore A. Robinson.

The sermon was by the Rev. W. J. Reynolds of Lisbon. The subject was "The Evangelism of the World." The text was Go ye into all the world and preach the gospel of the kingdom. The text was Go ye into all the world and preach the gospel of the kingdom. The text was Go ye into all the world and preach the gospel of the kingdom.

The conditions have been made public under which the Plattsburg scholarship fund will be offered to members of the First Training regiment of Plattsburg to a Connecticut high school boy of the class of 1916 will be awarded.

The conditions are as follows: This scholarship shall be of the value of \$50—that is, sufficient to pay a boy's expenses at the junior camp at Plattsburg July 5 to Aug. 3, 1916, together with uniform and railroad fare. Any boy in the class of 1916 in any Connecticut high school who is eligible for that camp may compete for this scholarship, provided he has his parents' consent.

The award of this scholarship shall depend upon a boy's qualifications in four different ways: Physical report, report by the physical director of his school, Y. M. C. A. physical director, or qualified physician, neither of above are available, must be furnished.

Mental ability and general character, recommendation by principal of school, recommendation by principal of school, recommendation by principal of school, recommendation by principal of school.

The merits of a paper consisting of not more than a dozen words on "Why Plattsburg Appeals to Me." The scholarship will be awarded by a committee of five men chosen from the state at large.

All papers and data submitted in this contest will be turned over to any local committee of award at their request. If in any town some local organization shall offer a similar scholarship, and if additional state-wide scholarships are offered, the committee will be awarded such additional scholarships.

Rushing Work on Mohican. The following civil service examinations have been announced to be held in the near future: Laboratory aid in chemistry and physics, for both men and women on May 3 and 4, at 10 a. m. Examinations for \$500 to \$900 a year.

The God to preserve our own spiritual life and to save our sleeping churches.

Community of Prayer.

Rev. F. S. Child said one of the results should be the church. The church should be the center of the community. The church should be the center of the community. The church should be the center of the community.

George F. Hyde Speaks.

The second discussion was opened by George F. Hyde of Norwich. The subject was Subsidiary Means of Evangelism. He spoke first of two things which had occurred to him since he came to the conference.

He said subsidiary means holding up the main thing. He said subsidiary means holding up the main thing. He said subsidiary means holding up the main thing.

Means Suggested.

Be a Sunday school teacher. Have a place for prayer. This is the silent phase of work. In order to conserve, get individuals at work. After a person comes into the church then is the time to keep him at work.

Methodists Oppose the Frawley Boxing Law.

Stamford Conference Urges the Repeal of New York State.

The New York State Conference of the Methodist Episcopal church formally organized in Stamford Wednesday with the usual devotional exercises, heard reports from the district superintendents and conducted considerable routine business.

Consociated Personality.

What is the motive power which Jesus introduces into the world or society? There is no scheme by which the world is to be saved but by the consociated personality of men and women. With the new expansion of the field of the church, is there not laid on Christian people a new demand for consociated capacity fit to occupy that field?

GIRLS! TRY IT!

HAVE IT WET, WICK, WAVY, BEAUTIFUL HAIR

EVERY PARTICLE OF DANDRUFF DISAPPEARS AND HAIR STOPS COMING OUT.

DRAW A MOIST CLOTH THROUGH HAIR AND DOUBLE ITS BEAUTY AT ONCE.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Dandierine hair cleanse." Just try this—moisten a cloth with a little Dandierine and carefully draw through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excess oil, and in just a few moments you have doubled the beauty of your hair.

Because they contain the best liver medicine, no matter how bitter or nauseous, they dissolve every particle of dandruff, cleanse, purify and invigorate the scalp, forever stopping the itching and itching.

WE WANT TO SHOW YOU OUR LINE OF

NEW LINOLEUMS

We are sure that when you see them—the very large variety—the beauty and originality of the patterns and color combinations—the very satisfactory range of prices—that you will be as enthusiastic as we are over the completeness of our stock.

LINOLEUMS ARE IDEAL FLOOR COVERINGS

The advantages of Linoleums as Floor Coverings are—the cleanliness, the small amount of care required to keep them in good condition and their great durability. We show patterns and colorings suitable for every room in the house.

AND THIS IS IMPORTANT—VERY IMPORTANT

Our present prices on Linoleums with one or two minor exceptions, remain the same as they were during the past year—and there is no doubt that prices will be higher later. It's a prudent idea to buy all needed Linoleums NOW—and at this store.

LINOLEUM FOR THE DINING ROOM

Takes the place of painted floors—eliminates the accidents of polished parquet—overcomes the danger of scratches from sliding chairs. It is clean, bright, sanitary, inviting—cheery in appearance—economically desirable—especially fitted for the dining room. A complete variety of patterns and colors permits selection to harmonize with hangings.

Cork Linoleum at 47c and 60c—Inlaid at 85c, 98c and \$1.45 a square yard.

LINOLEUM FOR THE BED ROOM

Cool, clean, sanitary. No dust can go through—no sun can fade. We show special designs and colors for bed rooms—dainty pinks and blues, rich browns, restful greens, neat patterns to harmonize with wall decorations and hangings. Its use reduces housework, and as a clean covering for cold floors, or a beautiful border for rugs, it is unsurpassed.

Cork Linoleum at 47c and 60c—Inlaid at 85c, 98c and \$1.45 a square yard.

LINOLEUM FOR THE KITCHEN

Cover the kitchen floor with Linoleum and stop the scrubbing that produces stooped shoulders. It lightens the labor of housework—it is fit for any room and fits the needs of every room. It is light, sanitary, easy to clean—costs less because it lasts longer. For the kitchen we show it in designs and colors as effective as they are unusual.

Cork Linoleum at 47c and 60c—Inlaid at 85c, 98c and \$1.45 a square yard.

LINOLEUM FOR THE BATH ROOM

Sensible, sanitary, serviceable. Never needs scrubbing. A minute with a mop and it is fresh and bright as ever. The designs we show are distinctively "different"—the shadings scientifically selected. It is cool, inviting and splendidly suited to bath room use—less expensive because it lasts longer.

Cork Linoleum at 47c and 60c—Inlaid at 85c, 98c and \$1.45 a square yard.

LINOLEUM AS BORDER FOR RUGS

We show a number of appropriate designs in Linoleum for borders around rugs. They are designed for this particular purpose—Rug Borders—and are exact reproductions of hardwood floors, having been taken right from the wood.

Width 24-inch at 30c—36-inch at 45 cents a yard.
